Residential Plot Opportunity in Burhanpur

The time is right to explore residential and commercial plots in Burhanpur, a historic and industrial city. Real estate prices in Burhanpur have been rising. According to the original brochure, plots that were previously priced at ₹1,200–₹1,500 per square foot are now priced at ₹2,500–₹3,000 per square foot.

Why Consider Residential Plots?

01 Growing Demand:

Growing Demand: Demand for residential plots in areas adjoining Burhanpur is increasing.

02 Potential Returns

The original brochure mentions an annual return of 12–15%. This is not a guaranteed return.

03 Resale Potential

The brochure states that plots may be easier to sell than completed houses.

A Special Opportunity for You

Aadhar Asset Management presents a proposal involving a 5,000 sq. ft. residential plot from a 4.65-acre land parcel located in central Burhanpur.

- The land was converted for residential use in 2013.
- Several residential colonies have already developed in the surrounding area.
- Plot-related tokens are proposed to be issued.
- The brochure mentions a projected annual return of 12-15%.

Make an Informed Property Decision

Explore the property details, location, documentation and proposed ownership structure before making any decision.
